Come help make mums! You are welcome to show up on any day we're working. We will teach you how to make mums parts from the ground up. Our work room is located in room 164 of Taylor High School. It is in a room off of a computer lab, so please come and go quietly during school hours. We will have a second work room open for mum making located next to the directors' office on the second floor of the band hall. (This room is available from August 25, 2011 on.) Evening hour workers should report to the second floor room.
